	<p>All the members of the Governing Council were welcomed to the first meeting for the academic year 2014-2015 and took the privilege of thanking each of the members for their continued support with suggestions, healthy criticisms and for striving towards the upliftment of the institutions in all respects.</p> <p>As per the agenda for the meeting, the admissions status for the academic year 2014-15, was taken up and the principal presented the admission data. Members pointed to the fact that in spite of all the efforts, good encouraging results, required in-front areas and various other added advantages, the admissions are not fulfilled for the absolute strength and expressed their concern. It was also pointed that until complete admissions are done as per the sanctioned intake or virtual academic year, the institution should not go for taking additional seats.</p> <p>Further, it was deliberated that few more academic oriented quality initiatives need to be developed and practiced to instill more confidence among the learners community, to take admissions in the institution and prefer our institution for others.</p> <p>It was rightly observed by Dr. N. Sundararajan, Vice-Chancellor Jain University and member Governing Council, who said that BBB admission have improved as folds than last time and suggested to the principal to find the reasons for not able to fill the seats in B.Com and BCA, while it was possible to complete the sanctioned intake during the last academic year.</p> <p>Adding to the discussion, Mr. Mahendar Monoth, Managing Trustee provided one more additional information that since the nearby Government first Grade College, had additional sanctioned intake for B.Com and BCA this time, the parents had a choice for their wards to opt them and hence some seats have fallen vacant and added that the situation would not remain the same in future.</p> <p>All the members insisted that some more academic oriented</p>

For this point, Principal apprised the honourable members of the Governing Council that as suggested during the last academic year Governing Council Meeting, many academic oriented initiatives were taken by the institution in consultation with ARG, Heads of the Departments and in tune to the requirement of the CBCS course curriculum across all the streams and semesters.

Principal apprised the members of the several value additions programmes that were initiated and implemented during the present semester of the academic year and detailed report of the programme delivered through various resources personnel drawn from the industry subject experts, qualified trainers and other guest faculty members.

Further, Principal pointed that the recruitment for B.A. is not happening as it used to be and hence there is no a downfall in admissions, while the same situation does not apply to B. Com course and hence he agreed that things would improve in the due course of time with some initiated effort from the concerned department and the institution at large.

At this point, Sri Suresh Chavli reminded the members of the Governing Council as to what happened to the decision to give up BA and B.Com coming from continuing their affiliation. And it was said that last LC Chairman has suggested not to ask for discontinuation of these courses but give one more attempt to revive with admissions.

However, will all the effort put for reviving these
