9	Does the curriculum based orientation/seminar/workshops/field trips enrich the students knowledge	40	5	0
10	Does the curriculum motivate the students to use the library resources	39	4	2

Action Taken Report

Action taken on the feedback on the need for additional topics in the present curriculum.

As the college follows the curriculum designed by the Bangalore University there is no scope for improving. However Guest Lectures, Seminars, Conferences are organized to give insight into the advanced topics in each subject.

In response to the need to improvise lab practical, workshops, hands on training, skill enhancement programs were organized. Lecturers also improvise the lab equipments based on the needs of the curriculum.

Resolution No.	Members Present / Minutes / Resolutions	Remarks
		All the members of the Governing Council were welcomed to the first meeting for the academic year 2014-2015 and took the privilege of thanking each of the members for their continued support with suggestions, healthy criticisms and for striving towards the upliftment of the institutions in all respects.
		As per the agenda for the meeting, the admissions status for the academic year 2014-15, was taken up and the principal presented the admission data. Members pointed to the fact that in spite of all the efforts, good encouraging results, required in-front areas and various other added advantages, the admissions are not fulfilled for the absolute strength and expressed their concern. It was also pointed that until complete admissions are done as per the sanctioned intake on continual academic year, the institution should not go for taking additional seats.
		As per the feedback from the stakeholders, further, it was deliberated that few more academic oriented quality initiatives need to be developed and practiced to instill more confidence among the learners community, to take admissions in the institution and prefer our institution than others.
		It was rightly observed by Dr. N. Sundararajan, Vice Chancellor Jain University and member Governing Council, who said that BAE admission have improved as fields than last time and suggested to the principal to find the reasons for not able to fill the seats in B.Com and BCA, while it was possible to complete the sanctioned intake during the last academic year.
		Adding to the discussion, Mr. Mahendar Munoth, Managing Trustee provided one more additional information that since the nearby Government first Grade College, had additional sanctioned intake for B.Com and BCA this time, the parents had a choice for their wards to opt them and hence some seats have fallen vacant and added that the situation would not remain the same in future.

	<p>appointment of more number of faculty members who have higher qualification to strengthen research and improve the quality of education.</p> <p>At this point, Dr. Sundarajan, Vice Chancellor, Jain University, suggested to adopt more number of programmes which will have societal impact and questioned about documentation in support of activities related to academics. He enquired and suggested about Skill development programme essential for employment where Ms. Sujatha Arasu answered that various career development and placement training programmes are given to students and further development will be done.</p> <p>The second agenda of the meeting regarding marketing strategy, principal informed and believed that the best strategy to market is quality education which spreads through word of mouth, but however due to competition from other private sector, the institution adopted strategies like putting up boardings across Kolar District, presentation about SBMJC K.G.F in several schools and P.U. Colleges, pamphlets also will be issued along with News papers.</p> <p>University representative Dr. Manjunath questioned about fee structure to middle class and under privileged people, whether we are reaching their level, for which Mr. Mahadev Munneti Managing Trustee, answered that Scholarship is provided to meritorious students and</p>			<p>to economically weaker sections also. The sports personnel are also encouraged through scholarship in the form of concession in fees. Instalment wise fee payment is also provided to the needy.</p> <p>Further, LIC report was presented, The principal reported that this time, New Online Affiliation process was done, where lots of challenges and difficulties in uploading the information required by the university, as it was new website introduced by University. Rectification was done as per norms of Bangalore University. He even attended a workshop regarding this, organised by university, which, gained better insight and uploaded all the required information on time.</p> <p>Adding to this, LIC report and suggested document were checked and observed by Governing Council members and suggestion was given by Dr. B.T. Venkatesh that, a soft copy of the same can be preserved as a backup for further process and faculty student ratio was discussed.</p> <p>They even discussed about the intake which was much more when compared to admission and work towards increase in admission for all streams.</p> <p>To go on with the agenda, The NAAC renewal progress report was submitted by IAAC Coordinator Mr. Jagapandian, and also current year preparation towards A&AR was</p>

	The Principal and Secretary to the Governing Council Dr. Rekha Sethi welcomed the members of the Governing Council for the academic year 2017-18. Principal thanked Dr. Jamuna and Mr. Ravikumar for their support as Council members.			Dr. Jamuna enquired about retention of teacher ratio, to which Mr. Mahender Munhoth managing trustee, answered that attrition rate has dropped, and if there is any grievance it will be solved immediately, and the faculty members who resign is mainly due to unavoidable personal reasons.			
	As per the agenda, the principal discussed about the admission for the academic year 2017-18 and it was informed that 360 admissions were done and the present strength is 357 after 3 dropouts.			It was suggested in the previous meetings to start Post Graduation Course, principal informed that the process to start the course has begun for M.Com, M.A economics.			
	Dr. Jamuna questioned about PM's admission as the number of intake and sanctioned had a difference. followed by a suggestion regarding extra coaching towards physics, which may help increase in admission, placements to be improved and career prospects for the course has to be improved.			Once the university gives notification, the necessary steps will be taken. But the challenge ahead will be availability of PhD qualified faculty to which Dr. B.T. Venkatesh suggested that the management has to arrange for faculty and can make people travel from Bangalore with attraction remuneration.			
	Moving to the second agenda, result status was discussed and Mr. Ravikumar questioned about the presence of student counselling centre, to which principal answered that our student welfare officer Ms. Sujatha Arasu takes care of student counselling.			As per the agenda, IQAC Co-ordinator, Mr. Jayapandian presented AQAR report as per NAAC norms. It was also suggested to conduct sessions on confidence building, communication skills, which will add value to their careers.			
	As per the agenda, progression of students in academic and non-academic activities was appreciated and depending upon the stakeholders feedback → Dr. B.T. Venkatesh suggested to conduct preparatory exam and give mock paper to improve results and writing skills. At this point, principal			The preparation towards facing NAAC Committee was discussed and it was found that documentation is well maintained.
