SUPPORTING PHYSICALLY HANDICAPPED STUDENTS

Strategies That Can Help Students

- ✓ Physically handicapped students long to be normal and be seen as normal as much as possible. Focus on what they can do at all times.
- ✓ Find out what the student's strengths are and capitalize on them. These students need to feel as successful too!
- ✓ Keep your expectations of the physically handicapped student high. These students are capable of achieving.
- ✓ Never accept rude remarks, name calling or teasing from other students. Sometimes other students need to be taught about physical disabilities to develop respect and acceptance.
- ✓ Make adjustments and accommodations whenever possible to enable this student to participate.
- ✓ Take frequent 1-to-1 time with the student to make sure that he/she is aware that you're there to help when needed.

Using Technology

Example

The DEF-ISL app makes learning of sign language easy, accessible and interesting. Packed with 5000+ easy-to-understand signs and phrases, in-built videos, illustrations, this easy to navigate app can be used both by adults and children who are deaf or non deaf.
