Great leaders are not born but rather made. Ultimately leadership is not about glorious crowning rites, it's about keeping your team focused on a goal and motivated to do their best to achieve it, especially when the stakes are high and the consequences really matter. It is about laying the groundwork for other's success, and then standing back and letting them shine. Your efforts as a Secretary, were reflected in the kind of projects that your club were part of this year. The recognition is, but, our smile and sincere effort to recognise the immense and prodigious efforts put in by you for the welfare of the club and return the welfare of the society around you. Thank You!
