## Overview

The institution has seen significant progress in the attainment of its strategic goals ever since the inception of the Internal Quality Assurance Cell (IQAC). In the beginning of each academic year, the IQAC creates the calendar of events of various departments. The IQAC assists faculty members in planning academics and enhancing academic deliverance by adopting suitable teaching methodology. It trains and encourages the faculty members to upgrade their teaching skills. The IQAC guarantees additional coaching in the form of Remedial and Bridge classes to the needy students. The IQAC offers a variety of experiential learning modes like Industrial visits and field-based and internship-based learning it records the incremental growth of the students' holistic development through mentoring. The IQAC records the learning outcome through the Programme Specific Outcomes. Internal Assessment tests and assignments are held at regular intervals during each semester to monitor the student's academic progress. It organizes Parent-Teacher Meeting to update the ward's academic performance. The institution organizing workshops, conferences, encouraging paper publications. Which has helped them in up gradation of knowledge, skills and to promote professional practices. It monitors participation in internships or research projects through research cell which supports research projects starting at the undergraduate level. The IQAC has devised assessment methods for the faculty member's performance through implementation of performance appraisal system. The feedback from the students, alumni, industry experts and other stakeholders are taken periodically. The suggestions obtained are reviewed and the necessary action taken. IQAC institutionalizes the best practices adopted by the various departments.
