### **BOSCH – PARAMEDICALS CARE GIVER**

The second batch of the Paramedical Caregiver course under the guidship of Bosch started on August 1st, 2021 for duration of 3 months, with student strength of 25.

The duration of the course is categorized as follows: 1. First month: Online training. 2. Second month: Offline training. Compulsory community visit to old age home. 3. Third month: On- the –Job training, assessment, and interview sessions.

Training sessions were handled by Ms. Anitha Richard, a Certified Bosch Care Giver trainer. Soft skills sessions were handled by Ms. Shamala. S, Certified Bosch Soft skills trainer.

Medical kit for the training sessions we issued by them on time on 1st of August. Totally 4 medical kits were issued, out of which 1 medical kit should be given to the old age home as a part of a service.

Regular attendance is maintained for both trainer and students and updated to the coordinator on monthly basis.
