Effective Curriculum Planning Overview

The Institution was affiliated to the Bangalore University till 2017-18 and after the trifurcation, it is affiliated to the Bengaluru North University from June 2020. The institution offers Post Graduate (PG) Programmes in M.Com. and Undergraduate Programmes (UG) in Bachelor of Commerce (B. Com), Bachelor of Business Administration (B.B.A), Bachelor of Computer Applications (B.C.A) and Bachelor of Science (B.Sc. – PMCs, BGBt). The institution has implemented the National Education Policy 2020 as per the guidelines of Karnataka Higher Education Council and the affiliating university from the academic year 2021-22 for the first-year Degree students. The institution follows the CBCS pattern introduced by the erstwhile Bangalore University from 2014 for effective teaching – learning process. It adheres to the academic calendar in terms of planning and implementing academic curriculum for both PG and UG Programmes. The institution prepares its own calendar that embodies curricular, co-curricular and extra-curricular activities earmarked for each semester. The institution plans the academic activities meticulously on the basis of affiliating university's academic schedule and makes it available to the students through a handbook in the beginning of the academic year. The courses are allotted to the faculty members who prepare the Programme of work, lecture content, question bank and assignments. The timetable committee prepares a master timetable, accommodating the bridge classes and remedial classes, which is circulated amongst the teachers and students well in advance. Suitable teaching strategies like group discussions, quiz and teaching aids like audio visual and ICT methods are employed, for effective content delivery. Refinement to methods of teaching is based on feedback from the stakeholders. Apart from the effective teaching techniques, the institution organizes guest lectures and industrial visits to enrich the curriculum delivery.

Besides, projects and internships support the entrepreneurial aspirations of the students which are in tune with the vision of the institution. The Value-Added Programs supplement the regular courses offered. During pandemic, the teachers were trained to conduct online classes and the Information Communication Technology (ICT) enabled system was used to deliver the concepts effectively. The internal tests, assignments were conducted on the digital platform. The HoDs closely supervise the completion of the syllabus as per the lesson plan prepared by faculty members. The Subject Advisory Committee monitors the effective curriculum delivery through Subject coordinators. The institution constitutes the Examination Committee (EC) in the beginning of the academic year. The EC conducts two internal tests, monitors the allocation and submission of assignments and projects, which are a part of the CIE. The cumulative assignment marks are submitted to the EC for uploading to the university website. During the year 2021-22, with the implementation of the NEP-2020, for the first-year students, sixty marks for theory examination and forty marks of Internal Assessment (IA) pattern is followed. The students have Yoga and Health & Fitness Course for twenty-five marks each as Internal Assessment. For the PG Programme, second and third year of UG programme, seventy marks for theory examination and thirty marks of Internal Assessment (IA) pattern is followed.
